

# Spiritual Conversation Notes

*Ave Maria Parish Synod*

## OVERVIEW

Each participant is invited to pray before coming to the Conversation, then during the conversation, they share the fruit of their prayer. The facilitator will guide the group through three rounds of sharing, each round is separated by a time of silence, and the whole conversation will end with a time of prayer. *Please save this sheet for future parts of the synod.*

**FIRST ROUND: What happened during the time of prayer?**

**SECOND ROUND: How was I affected by what I heard?**

### **THIRD ROUND: What key points seem to be emerging in the group?**

**REVIEW: What did I hear that made me want to love God more deeply?**

**REPORT: What do I wish more people could hear?**

- a. What do we want Fr Nathaniel to know about our conversation?
- b. What do we think God is showing us?
- c. What do I especially want to remember?

The facilitator will send an official summary of this last point, but you can send anything you would like to share about the conversation to [Synod@AveMaria.Church](mailto:Synod@AveMaria.Church) We are especially interested to know what made you want to love God more deeply.
