

Adult Confirmation and Holy Communion

Are you an adult baptized Catholic who has not completed one or more of the Sacraments of Christian Initiation?

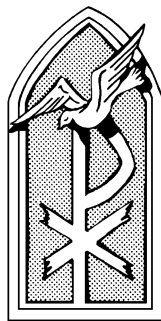

Often a person is baptized Catholic but has not had the opportunity to celebrate the sacraments of Confirmation and/or Holy Communion. They also may not have celebrated First Penance (Confession).

Do not be embarrassed. Life circumstances create such a situation and we are prepared to make it possible for you to come into Full Communion with the Church, that is, celebrate Confirmation, Holy Communion and Penance. Or any one of those sacraments.
